Small Group Notes

SG Notes 11/04/21 - Sure and certain

Take your time. Slowly read through Eph 1: 3-14.

Maybe read it again in another translation.

What does this scripture tell us we have access to when we are in Christ?

What does this mean for you personally/how does it make you feel?

What have you experienced of this in your own life? What does it do for your faith when you consider and remember the experiences you have had of receiving God's love for you and experiencing the Spirit at work in your life?

Does it cause you to celebrate?

How could you invest and increase your experiences of the Spirit in your life? - What will you do this week in this area?

Truth: If you have responded to Jesus, the Holy Spirit is at work in you, and every Christian has access to all these things the scripture talks about. How can we be sure and certain that all these things?

The scripture says we have been sealed by the Holy Spirit. What does it mean when something has been sealed? Can we give examples of why we trust things that are sealed?

What difference does it make to you to be "Sealed" with the Holy Spirit?

Anything holding you back from asking for more of the Holy Spirit?

Pray for a fresh filling of the Spirit for each other.
