

Small Group Notes

SGQ's Sunday 1st Nov - Foreigners and Exiles

Are there times when you have felt like an outsider?

How does that feel when you don't fit in?

Read 1 Peter 2:9-12.

As a Christian is our purpose to "Fit in"?

Re Read vs 12.

We are a SENT PEOPLE. What are we sent to do?

We are to go into the world, bringing and living out a Godly culture, taking ground for Heaven. We are called out of darkness into light, then sent into the world to live among the world.

Quote from *Scattered Servants* – "God doesn't send the lost into the church. He sends the found into the world"... How does this look in your life?

We are a CALLED PEOPLE Re read 1 Peter 2:9-10

We are chosen by God – What difference does this make to you?

We are made royalty – What difference does this make to you?

We are made holy – What difference does this make to you?

We belong to God – What difference does this make to you?

If we are living in our calling how will we look different to those around us?

We are a PEOPLE TOGETHER

Re Read 1 Peter 2:10

What difference does this make to you?

When we put together that we are: Sent, called and together, we should stand out and be different to those around us. We should not fit into the pattern of the world. How does that make you feel? What impact will it have on what you do this week?

When you're praying together, and wanting to be different and stand out for Jesus and share the reason you have to hope, pray; Your Kingdom come! YOUR Will be done.
