

Small Group Notes

Small Group notes 17th Jan - Love with the Truth

On Sunday we concluded our preaching series called "Scattered" in which we had been looking through Alan Scott's book Scattered Servants.

Has anyone in the group read the book? How did they find it? Would they recommend it?

What can you recall from the series, what have been your highlights?

On Sunday we were reminded of the story Bob shared a while ago, and it inspired Janet, who told her story. What do you make of these stories, do you feel inspired by them?

Read 1 Peter 1:3. What has God done for you?

What will you do with the living hope Father God has given you through the resurrection of Jesus?

What is the purpose of the church?

Read Matt 28:18 - 20 - What does this passage mean to you?

Read 2 Cor 4: 6-10.

What do you make of this scripture? Does it encourage you that no matter how we are doing, we still have treasure in us. That Treasure is the gift of living hope, and is not dependent on us, it is the gift of God.

Will you look for opportunities to share the Treasure of living hope, and make disciples? How will you do that? Have you identified 2 people you know, who do not have the Living Hope of Jesus yet? Will you commit to fast and pray and look for opportunities to share your reason for hope with them? Does anyone have stories to share of doing that ? How will you encourage each other to keep doing this?

Take time to pray together and delight in what God has done for you. Use the scriptures in these notes and make them personal prayers of thanks to Father God for His great love to us!!
