

Sun 17th October 2021: *Moving into the Neighbourhood*

On Sunday we had Helene Tame with us as our guest. She shared some of her story and explained how she encourages people on Loves Farm to write story with Jesus.

She based what she said on **John 1:1-18** from The Message and particularly drew on verse 14:
The Word became flesh and blood, and moved into the neighborhood.

- 1) What was one thing that stood out to you about Helene and her story?
- 2) Helene said that we all have our own stories, some which we love to tell and others that are harder to speak about. However happy or hard our story has been, it is not over yet! God wants to go on writing story with us.
What do you think about this and how does it speak to you personally?
- 3) One observation that Helene made is that the Church is often good at hosting and serving others, but we need to get better at being a guest in the environment of others.
What do you think she meant by this and what do you need to take from it?
- 4) Where do you see the community coming together around you? How could you join in so as to move further amongst the people?
- 5) What is the main thing you are going to take away from this? Agree to ask each other how these things are going over the coming weeks. Now pray together for the Holy Spirit to come and help you live these things out.
